PICTURE CAPTION

Church School Missionary Offering Poster

80299 "The Child -- Our Future Now" is the theme of the 1980-1981 Church School Missionary Offering, for the needs of the children in the Episcopal Church's Ninth Province (Latin America). The brightly colored poster (above) uses original art by children of the Colegio Episcopal in Panama. Other materials include a guide for leaders (sent to parishes as AWARE, Vol. VI, No. 5), a completely bilingual (English/Spanish) children's resource booklet, and the traditional orange CSMO offering box. The materials may be used at any time during the liturgical year, from Advent Sunday (Nov. 30) 1980 through the last Sunday after Pentecost (Nov. 22) 1981. Materials are available from the Seabury Service Center, Somers, CT 06071.
